PRESS RELEASE
Press Conference:
“THE SPRING DIALOGUE 2019”

Da Nang, 20th February 2019

On 20th February 2019, Da Nang People's Committee held a press conference to provide information about “The Spring Dialogue 2019” at Da Nang Administrative Center.

“The Spring Dialogue 2019” aims to report on the implementation of the “Year of Investment Promotion 2018” of Da Nang City and action plan for the year 2019.

This is the second year in a row Da Nang City organizes “The Spring Dialogue” with an aim to receive recommendations from the business community on the city development orientation in the coming years.

Following the success of the event in 2018, “The Spring Dialogue 2019” is expected to continue to be an useful communication channel between city leaders and businesses; investors; domestic and foreign invested associations in the city. This will provide the opportunity for the city leaders to directly listen to and receive comments, suggestions, and proposals to effectively implement projects.

At the event, the Contract Signing Ceremony for the Consultancy on Developing Da Nang City masterplan revision by 2030, with a vision towards 2045 and Designing socio-economic development strategies by 2030 will be held. Also, on this occasion, Da Nang People's Committee will hand over approved investment registration certificates and permission for studying investment project notices.

The event is expected to see the participation of nearly 500 delegates who are leaders of relevant ministries and agencies; representatives from Embassies in Vietnam (Japan, South Korea ...) and Consulate offices located in the city; leaders of central agencies located in the city; local agencies and departments; representatives from business associations; large-scale domestic and foreign enterprises that have substantial contributions to the city budget, create job opportunities, positively impact the socio-economic development of the city and have the potential and capability to promote investment; satellite businesses; representatives from universities, colleges, vocational schools as well as representatives from press and communication agencies in the city.

Besides the main program on the morning of 1st March 2019, “The Spring Dialogue 2019” also includes side activities to improve the connectivity between city leaders and businesses and investors.

Specifically, the agenda for 28th February 2019 is as follows: the Groundbreaking Ceremony of “Factories for Lease in Da Nang Hi-tech Park” project of Long Hau Joint Stock Company in Da Nang City Hi-tech Park in the morning; and the Meeting with enterprises having large-scale projects with significant impact on socio-economic development and possessing the potential to effectively implement projects in the city in the afternoon.
